

**Mallory Chipman**

# As Though I Had Wings

## Project Description

Mallory Chipman's latest EP, *As Though I Had Wings*, is a thought-provoking meditation on interspecies kinship and earth's wild music. Featuring four songs composed based on birdcall melodies of Alberta birds, Chipman debuts an entirely new level of songwriting prowess on this record, leaving listeners aching for more.

## Track Listing

1. Cradle Me (4:30)
2. Oh, Blackbird (4:04)
3. Diving (3:59)
4. Mother (4:09)

All songs written & produced by Mallory Chipman.

## Biography

Mallory Chipman is an award-winning musician, songwriter, and producer from Edmonton, Canada. Throughout her decade long career, she has traversed genres from folk-roots to jazz to rock to country, and has released five albums to critical acclaim, both with her solo project and her bands Mallory Chipman & the Mystics and The Goddamsels. *As Though I Had Wings* is her first album release in the singer-songwriter genre, and it won't be the last, as she has another slotted for release in fall 2023.
